

BLOUNT COUNTY
FRIENDS OF THE LIBRARY

Membership Form

The Blount County Friends of the Library is a 501(c)(3) non-profit organization which exists to advance the mission of the Blount County Public Library by providing financial and organizational support. Our fundraising activities, along with member dues and donations, provide us with the resources to fund programs, equipment, and materials that help our library and our community.

We raise most of our funds through pre-owned book sales, held quarterly in the lower level of the library, and in our eBay store. Numerous volunteers work daily to process and organize book donations for these sales. We welcome you to join us as a member, volunteer, or both.

Please complete the following form to become a Friends member, renew your Friends membership, or update your contact information for our records. If you are interested in volunteering, please complete a volunteer application.
